

Navigating the Waters

A Reiki Intensive on the Oregon Coast

February 16 - 20, 2012

*There is a treasure
in our hearts;*

*A grace that shines through all time,
waiting in the stillness,
singing a soft melody,*

*Signaling to our senses
through the ancient language of waves.
In front of us are oceans of possibility;*

靈氣

Above us,

*there have always been stars to guide us;
Below us, our mother,
holding us in her secure embrace.*

*No shadow can exist without light ~
Supporting, eclipsing, teasing,
illuminating...*

*In these four days of Reiki,
with the support and love of our sisters,
The wind is behind us as we hold the lantern,
and navigate the waters
once again and always, home,
In the heart of Reiki.*
